Two disciplines, one competition!

Combined Training competitions consist of riders competing in two disciplines, dressage and show jumping. A competitor rides their dressage test, has a quick change of tack if needed, then they do a round of show jumping. Any faults in the show jumping section are deducted from their dressage score to provide a final score. In the event of an equal placing, the collectives from the dressage will decide the higher placing. Readers are allowed for all classes.
